L'OFFRE RETAIL

LA GAMME MERCI CHEF

The individual has always had to struggle to keep from being overwhelmed by the tribe. If you try it, you will be lonely often, and sometimes frightened. But no price is too high to pay for the privilege of owning yourself.

iPhone 6 features an A8 chip built on second-generation 64-bit desktop-class architecture. Its incredible power is enhanced by an M8 motion coprocessor that efficiently measures your activity from advanced sensors, including a new barometer. So you can do more, for longer periods of time, with better performance and battery life.
